Dear Professor Unger,

I wanted to provide an update regarding the new territory. It has been challenging due to a high number of stops and unlimited sales activity. Additionally, many customers in this area appear resistant to change, which has impacted overall performance.

I will submit the required reports as soon as possible for your review. At this time, market conditions appear to be down, and there have been no significant developments to report.

Please let me know if you would like any additional information,

Sincerely,
Shandora Whitaker
